This district snap shot was created in partnership by the **Leicester and Leicestershire Enterprise Partnership** and **Charnwood Borough Council**, whose aim is to maximise and enable the opportunities for local people to access and gain the right skills and qualifications to meet the needs of local businesses and our key growth sectors. Charnwood is home to two areas of the Loughborough and Leicester Science and Innovation Enterprise Zone, with multiple high-tech companies based at the Loughborough University Science and Enterprise Park, and leading companies such as **3M** and **Almac** based on the Charnwood Life Sciences campus. The Charnwood area has opened a Careers and Enterprise Hub to support young people and adults with skills and employment, see: www.loucoll.ac.uk/careers-hub/, as part of new Town Deal, a scheme which is designed to help regenerate town centres, boost businesses and improve infrastructure and connectivity.
